

Eastridge Youth Event Scholarship

As always the ministers and elders at Eastridge desire for all of our youth to be able to attend every youth event. However, we know that some of our activities can be expensive, and your financial situation might hinder you from being able to pay for the event. If this is the case for you, please know that the members at Eastridge can sympathize with you and would like to help.

If you need assistance for any event just fill out this form so that the youth staff can make sure the appropriate funds will be there for your child. Eastridge never considers it a burden to cover anyone's cost and receives great joy from knowing that your child is able to attend.

All names and information will be confidential and will only be made known to the Eastridge youth staff and the elders. We are excited that your child will be able to attend this event.
