

Dear Parents,

Welcome to the Eastridge Preschool! We are so excited to have the opportunity to work with you and your child. You and your family are very important to us. Our goal is for you and your child to have meaningful and rewarding experiences in our program.

This handbook is designed to help you understand our goals, policies, and procedures for our program. Please take time to read it thoroughly. Good communication between all parties is essential to a successful experience for all.

Our teachers and staff maintain a high level of professionalism and moral character needed to give each child plenty of education, love, and personal attention. Our classes are designed to provide opportunities in all areas of development - physical, intellectual, social, emotional, and spiritual.

Please feel free to contact me with any questions or concerns.

It is going to be a great year!

Sherry Watlington
Program Director

MISSION STATEMENT

To provide a safe and nurturing environment for children to develop his or her own potential in a faith-based program which allows active learning to enhance physical, intellectual, emotional, social, and spiritual development through discovery, stimulation and play.

The Pre-School Program is a ministry of the Eastridge Church of Christ. It is a program for children ages 12 months through five years.

GOALS FOR STUDENTS

We want to provide opportunities for each child to:

- Make a successful transition from home to a school setting
- Learn to develop an interest and joy in learning
- Develop a feeling of success
- Develop self-control
- Develop self-expression and creativity
- Develop a secure feeling through trusting relationships

CURRICULUM

Most of our teachers are accredited teachers with experience in public school early childhood education. Classes are small in size to insure adequate attention is given to each child. Our children will learn through activities that focus on using their large and fine motor skills. A well-planned curriculum provides a teaching topic for each week as well as a letter, number, shape, and color to learn or review. The activities are organized around themes using centers that include language/literacy, math/manipulatives, art, and circle time. A variety of curriculum is used for more academic focus in the pre-K classes.

Since we are a Faith-based Pre-School, Bible stories and scripture are used throughout the week. Weekly Chapel time will highlight the Bible theme of the year and the story of the week.

It is very important that your child arrives on time, as they miss out on planned activities when they are late. PLEASE do not drop your child off early, as our teachers use those precious moments to prepare for a fun-filled day.

Children are to be picked up by 1:30 P.M. Please be on time to pick up your child to allow the teacher to complete their clean-up responsibilities before they leave. After 1:35 PM, there will be a \$5 late fee assessed. At 1:40, we will try to contact you, then an additional \$2 per minute late fee will apply. We understand situations happen, so please contact us if an exception needs to be made.

EPS will be entering through several entrances of the building. Those doors will be locked at 9:45. After that time, anyone needing in will need to come to the front entrance and be buzzed in. In the afternoon, the teachers will start walking out the specific entrances at 1:15. The specific doors and ages will be given at Meet the Teacher.

MEALS

Each child will provide their own snack, lunch, water bottle and snack. No food will be prepared on premises.

A snack and lunch should be sent from home, made up of finger foods that can be served with little assistance. Please do not bring foods that are difficult to clean up. Candy and large sugary treats will not be given to children except for Birthday or Class Celebrations. Please make sure that the items in your child's lunch are not choking hazards (hot dog pieces, grapes, etc.) Please bring drinks that are clear (apple juice, white grape juice, etc.) as we should respect the facilities provided for us by preventing possible stains. Please mark your child's lunch containers clearly with their names.

PERSONAL ITEMS

Please leave your child's toys at home with the exception of a security item. Occasionally, your teacher may request or allow a "Show and Tell: type of activity which would allow for something like this. Example....studying letter C...bring a car for show and tell. The teacher will be communicating these plans to you.

CLOTHING

Send your child ready to "play". Select clothing that is washable, sturdy, and free of complicated fastenings. Your child needs to be able to manipulate all fastenings. Please send your child in shoes that he/she can easily put back on themselves.

A plastic bag is provided for you to leave a complete change of clothing with us.

WEEKLY FOLDER

Your child will be provided with a Weekly Folder. This folder will contain class work, along with important information for upcoming events. It is very important that you review this folder each day with your child. This is a very important piece to the communication between home and school.

IMMUNIZATIONS

Each child will be required to have a current immunization record on file. Each child must have a "Statement of Good Health" from a doctor stating they are in good health and can participate in EPS. If "Opting" of of Immunizations, an affidavit is required stating so.

HEARING AND SCREENING

Four year olds must have a current vision/hearing screening record on file.

ENROLLMENT PROCEDURES

February – Registration open to current students and church members.

March – Registration is open to the public, based on availability. Once capacity is reached for a class, the class is closed and a wait list is started. When there is an opening, someone off of the list is called to enroll.

Registration forms are on our website and are updated each year. Our handbook with policies are on the website and hard copies available upon request. If anything changes, parents are notified in writing (note sent home), email, or phone call.

OPPORTUNITIES FOR PARENT PARTICIPATION

Every effort is made by the staff to get to know the families we serve. We welcome any input, questions, concerns that may arise. When concerns are voiced, we listen and act according to what the concern is in a timely manner. We then report back to the parent to assure resolution. Many Staff share their phone numbers with parents. We have a private social media page. We encourage communication through Brightwheel.

During the year, we conduct several opportunities for parents to visit. We have holiday events and programs. We honor grandparents, moms and dads during various activities.

Each class has a “Room Mom” that coordinates holiday activities for each class.

Parents are invited to a New Parent Orientation where all of the procedures are explained and questions answered. Information concerning ways to access the Minimum Standards, Licensing, and the process for reporting Child Abuse and Neglect are given then and posted in the office. There is a copy of the minimum standards in the office for reference any time.

BREASTFEEDING

There is a private breastfeeding area in the nursery. Mothers are welcome to breastfeed there or anywhere they choose. Breast milk may be sent for those still breastfeeding.

CHILD ABUSE AND NEGLECT

Each staff member is required to complete training in Child Abuse and Neglect Education. In this training, they will learn how to respond to a situation where they suspect or are concerned about a child’s safety. If a staff member is concerned about a child, the director is to be notified and then appropriate steps will be taken to report. The number for the Hotline will be posted in the office and available to staff and parents.

By forging a relationship with our families, we are able to bridge the gap between them and resources we have available. Our church has free counseling available for our families. If there is a problem, we would refer them to this service.
