EIGHT THOUSAND CHRISTIANS

Another **4,000** Bibles with study guides have arrived. We present a copy of the Divine Text when someone is immersed.

8,000 Bibles have been distributed to new disciples this year.

Our goal for this year is **12,000** Bibles. If you wish to know more about this Bible Printing Project & to partner with us, please email us.

FIRST CHRISTIAN UNIVERSITY IN INDIA

With our already existing **22 programs** of technical, vocational, trade, engineering & medical options for our preaching students, we are consolidating it into one entity. The uniqueness is in the fact that these programs are designed **to train bi-vocational evangelists** to proclaim the Good News of Jesus around the world.

DAILY IMMERSIONS

Not a single day goes by without immersions. Our Bible College students, families, graduates & many others are pursuing souls.

9 MUSLIMS IMMERSED

PREACHING STUDIO

We are extremely thankful for Mr. Oglesby for his guidance with this studio. This helps our students learn how to preach & present the Word. I am personally grateful for his continued mentorship and involvement in my life and ministry. Mr. Oglesby preached at Waterview congregation for over five decades and I was one of his interns many years ago.

MAKING AN ETERNAL DIFFERENCE

We give thanks to the Lord for this great blessing of matching gift opportunities. The funds raised are designated to train more evangelists and also help orphans / widows in India.
